

**FEEDBACK FROM PEOPLE WHO HAVE COMPLETED A
'1-2-1 TUITION' OR A 'BACK IN THE SADDLE' COURSE:**

“I am still amazed that you actually managed to help me learn to get going on a bike!!! I thoroughly enjoyed the course. Your organisation of the whole experience, from accommodation, to travelling details, to timetable etc was excellent, and ensured lowered stress levels. Tuition was also excellent, with exactly the right levels of encouragement, motivation and sensitivity to the issues of being an adult, learning a skill which most people acquire as children.”
